

2017 Edenton Music and Water Festival

June 2nd & 3rd

The Edenton Music and Water Festival offers people of all ages the opportunity to enjoy what nature has blessed us with – the most beautiful waterways in the world along with great entertainment.

Becoming a sponsor promotes your business and helps to enhance and expand eco-tourism opportunities in our area. The money raised goes to education and improvements of our parks, paddling trails, and interpreted marine histories – like Pembroke Creek Park’s new paddling launches and boat slips for paddling and fishing enthusiasts.

Help us protect and promote our ecological assets with 2-days of family fun and live entertainment on Edenton Bay.

EXPAND YOUR MARKET WITH A SPONSORSHIP
