

2018 Edenton Music & Water Festival
Saturday, May 19, 2018
10 AM – 5 PM
Wooden Boat Exhibit - Registration Form

The 20th Annual Edenton Music & Water Festival in Edenton, NC has added a **Wooden Boat Exhibit** to the list of attractions at this year's event. For the second year in a row, we are celebrating the region's boat building heritage during this day-long display of regionally-owned and/or regionally-built wooden boats. The on-land exhibit will feature a collection of wooden vessels *limited to 20'*.

The staging area will be located on Edenton's historic waterfront lawn adjacent to the 1886 Roanoke River Lighthouse. **Trailerred boats are requested to be placed in their assigned areas before 9:00 AM** on Saturday, May, 9. After each boat has been placed in its assigned space, owners can park their vehicles in the adjacent parking lot. Volunteer staff will direct and assist each participant once they check in at the Festival Info Booth. Entrance to the wooden boat staging areas is the **third parking lot** west of 101 W. Water St, Edenton, NC.

Participants are not required to stay during the entire festival. An information sheet will be provided for each registered boat. For safety purposes, boats will remain onsite until 5:00 PM. A festival volunteer will assist each boat owner during the loading/unloading of their boat.

Note: *This is not a judged event.* No Awards. Our mission is to celebrate the wooden boat culture of the region and to share the joy of wooden boat building.

Registration Fee: \$20 (includes Festival T-Shirt & a commemorative event poster.
More Info: Contact Sammy Cox at (828) 989-6965 or
